Login Information

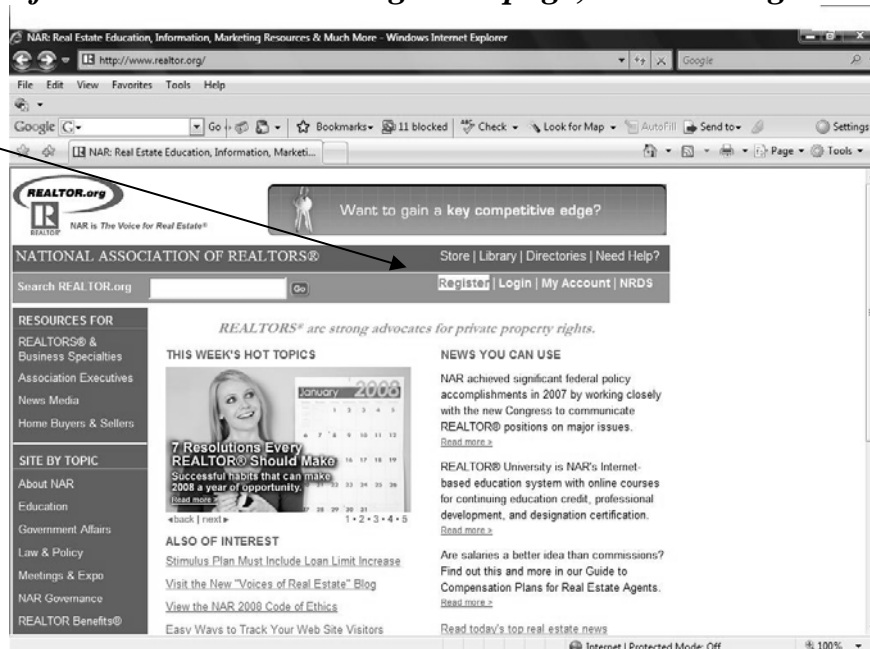

Please note; this class will take approximately 3 hours to complete online. Testing is a requirement of this class and there is no continuing education credit hours offered with the Arizona Department of Real Estate when this class is completed online through www.REALTOR.org.

To Begin:

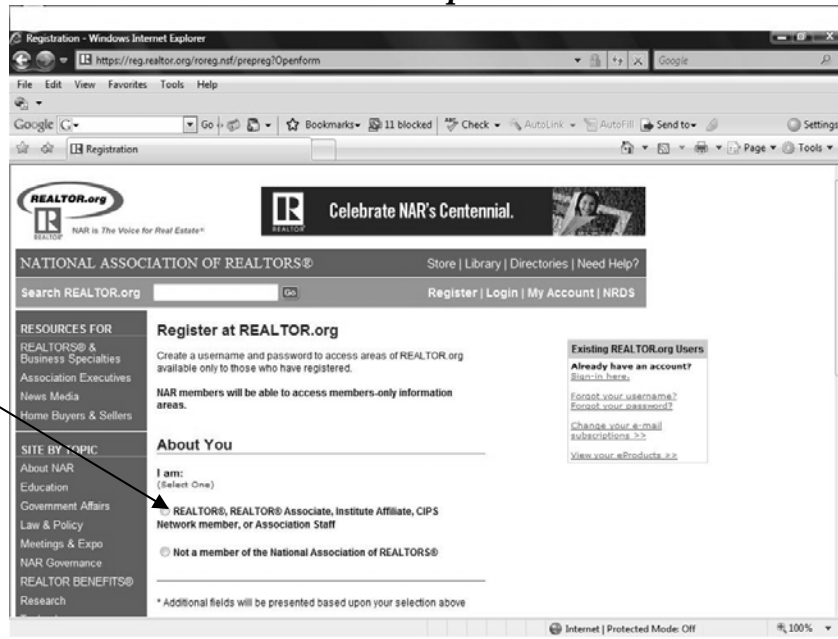

You will need your 9 digit National Association of REALTORS® Database Number (NRDS #) to get started.

This number is located on the mailing label of every REALTOR® Magazine you receive from NAR, or it can be obtained by contacting the Phoenix Association of REALTORS® reception desk at 602-246-1012.

Once you have your NRDS # at hand, from the REALTOR.org main page, click on Register.

It's time to create a user name and password. Select REALTOR®...

Then input your NRDS # and hit Proceed with Registration...

Once you are in, you are able to set up your user name and password, and complete your profile of information.

From there, you are able to select the Education link on the left hand side to locate Code of Ethics training.
