

AAR's Legal Hotline

Do you have a real estate question that needs a legal answer? One of the most exciting member services brought to you by your state association -- AAR -- is the Legal Hotline. The Hotline is a toll free number to the Combs, Collins & Premeau law firm where attorneys are available to answer real estate related legal questions from AAR members.

How can you access the Hotline? Access is obtained through your Designated REALTOR® or branch manager, if he or she has signed a Hotline Agreement with AAR signifying understanding of the program and agreement to follow its rules. He or she is then given access to call during the Hotline's hours. An answer will be given, if possible, over the phone and will always be followed by a written response.

If you're interested in this program, ask your broker or manager if he or she has signed up. If not, but he or she wants to -- it costs nothing to join -- just say, "Contact AAR today!"

For a new Designated Realtor® call AAR for the paper work to sign up and get access to the Legal Hotline.
